## Vision

**SAMT FIXTURE AND FURNITURE** is committed to seeking growth and prosperity by achieving a sustainable competitive share of our industry in the domestic marketplace. We will strive to reach our goals by meeting the needs and expectations of our customers with continuous improvements in quality, productivity, value, new product offerings and customer satisfaction.

It is our intent to develop quality partnerships with our employees, suppliers, customers and the community in excellence, both personally and professionally, which exemplify our dedication to our goals and to the fulfillment of this vision statement.

## Mission

**SAMT FIXTURE AND FURNITURE** is dedicated first and foremost to producing the highest quality products to meet the needs and demands of our customers while achieving an acceptable return on investment. This will be realized both internally and externally by continuous communication between management, employees, suppliers, customers and the community, and by ongoing improvement of processes, systems, equipment and use of human resources,

We intend to expand our presence in the marketplace by developing new products in our (list of significant product) lines and by exploring other opportunities for growth when presented.

No matter in the past or at present, the real king just indicates the possession of more freeness and respectfulness, thus the seats are often ranked the first among the preventatives of the king's power. Adopting ergonomic theory,, ET design a series of chairs, which not only are grand and new in style, but also can provide the most comfortable support to all sitting postures, always bringing you the feeling of rare arbitrariness and nobility
